

BHAVI HERBALS

Trusted Bulk Supplier of Medicinal & Herbal Raw Materials

Company Profile

Bhavi Herbals is a professionally managed B2B enterprise engaged in the sourcing and bulk supply of high-quality medicinal and herbal raw materials across India. With over five years of operational experience, we serve Herbal Traders, Ayurvedic manufacturers, herbal processing units, and institutional buyers requiring consistent quality, structured documentation, and dependable supply partnerships.

We specialize in bulk supply with consistent quality, structured documentation, and long-term trade relationships.

Our Mission

To provide consistent, high-quality herbal raw materials to manufacturing industries through transparent trade practices, structured documentation, and reliable supply management.

Our Vision

To establish Bhavi Herbals as a trusted long-term supply partner for Herbal Traders, Ayurvedic Manufacturers, and Herbal Processing Units by maintaining quality integrity, operational discipline, and professional business standards.

Core Product Portfolio

We specialize in the bulk supply of:

- Raw medicinal herbs
 - Dried roots, rhizomes, leaves, bark & seeds
 - Whole plant materials for Ayurvedic Manufacturers and Herbal Processing Applications
 - Herbal raw materials for further processing and formulation
 - Standard Packing: 50 kg bulk bags
- Supply Scope: Domestic B2B distribution across India**

All materials are sourced and handled with attention to quality consistency and traceability.

Regulatory Compliance & Trade Credentials

Bhavi Herbals operates under a structured compliance framework to ensure smooth, audit-ready, and legally compliant transactions.

- GST Registered Entity
- Udyam (MSME) Registered
- E-Way Bill Compliant Operations
- Systematic Tax Invoicing & Standardized HSN Classification
- Import Export Code (IEC) Registered for International Trade
- Transparent Commercial Documentation

IEC is issued by
Directorate General of Foreign Trade
under the Ministry of Commerce, Government of India.

This enables Bhavi Herbals to undertake export operations in accordance with Indian trade regulations.

Operational Infrastructure

- Dedicated storage and stock management facility
- Organized bulk inventory handling system
- Secure packaging and dispatch protocol
- Reliable logistics coordination for timely deliveries

Our operational model is designed to support uninterrupted supply commitments and reduce production delays for our clients.

Business Values

- ✓ Consistency in quality and supply
- ✓ Professional communication and timely response
- ✓ Transparent pricing structure
- ✓ Compliance-driven operations
- ✓ Long-term supplier partnership approach

At Bhavi Herbals, we aim to function not merely as a vendor, but as a dependable strategic supply partner supporting the growth and stability of our clients.
